## ***Announcement***

To: All FWAA Members and Associates  
From: James F. Fitzgerald, Executive Director  
Subject: New Administrative Assistant  
Date: March 17, 2016

---

A handwritten signature in blue ink, appearing to read "James F. Fitzgerald", is positioned to the right of the "From:" line.

We would like to welcome Errin Nelson as the new Administrative Assistant for the Far West Agribusiness Association. Errin has stepped into a vacant position and will be working with Denise Pitts during her transition to ensure a seamless transition for the FWAA.

Errin comes to us from her previous role as Receptionist for The McGregor Company, and brings with her extensive knowledge and experience in event planning, recruitment, marketing, and other administrative level duties.

In addition to her clerical support background, Errin and her husband, Scot, take advantage of the spring and summer weather to golf and travel. They enjoy their rural community of Steptoe, Washington, and look forward to spending many more years there.
