Announcement

To: All FWAA Members & Partners
From: James F. Fitzgerald, Executive Director
Subject: PAC Candidate Support List by State
Date: October 27, 2016

This year the general election date is Tuesday, November 8, 2016. As you decide which candidate you will be voting for, your Association provides to you a three-state listing of the candidates that have been either endorsed by your Association, supported by our Far West Agribusiness PAC or a combination of the two. While we certainly do not intend to infringe upon your personal preference, we are offering the opportunity to use this information as a reference if interested.

In order to access the list by state go to the FWAA website at: <http://www.fwaa.org> and click on the "Legislative" tab, located on the left side of the screen and then on the "Candidate Support" tab. You will have the option to click on the state of interest. The listing will provide the candidates' name, their district and party affiliation. FWAA is a non-partisan association and we support those who support our industry as identified through the vetting process. We hope the information, if needed, is helpful and encourage everyone to exercise their right to vote.
