## **Announcement**

To: All FWAA Members and Associates  
From: James F. Fitzgerald, Executive Director   
Subject: Anhydrous/Aqua Safety Training and Ag/Chem Spill Response  
8-Hour Refresher Course Offered in December  
Date: November 22, 2016

---

### **\*\*\*REMINDER – SEATS STILL AVAILABLE\*\*\***

Registration is open for the Anhydrous/Aqua Safety Training and Ag/Chem Spill Response 8-Hour Refresher courses through the FWAA website, [www.fwaa.org](http://www.fwaa.org), under the Events and Registration tab, Safety Training. Here are the dates for the trainings:

#### **Monday, December 12, 2016:**

- Anhydrous/Aqua Safety Training at Three Rivers Convention Center in Kennewick, WA
  - 1:00 pm – 5:00 pm
  - Instructor – Jim Lemon

#### **Thursday, December 15, 2016:**

- Ag/Chem Spill Response 8 Hour Refresher Training at Three Rivers Convention Center in Kennewick, WA
  - 8:00 am – 5:00 pm (this class will be set at a maximum of 30 individuals, registration will be accepted on a first-come/first-served basis)
  - Instructor – Bill Kness, P.E., CSP – BSI Services and Solutions
  - Meets OSHA Standard 29 CFR 1910.120(q) for annual refresher training.

The registration deadline for both is December 8, 2016.

If you have further questions or concerns, please contact the FWAA office at (509) 465-5055 or by email to [admin@fwaa.org](mailto:admin@fwaa.org).

**Note:** These training opportunities are being held in conjunction with the FWAA Winter Conference at the same facility. The Ammonia training is the day before the Conference and the Ag/Chem Spill Response course is the day after the Conference. Make the most of your time and travel dollars by attending a combination of or all three. 24-hr Ag/Chem Spill Response Training is being planned after the first of the year and an announcement will be provided when dates and locations are determined.
