Date: January 27, 2017

---

The Far West Board of Directors has authorized the formation of a Human Resources Committee. The purpose of the Committee is to act as a resource to both the board and association members in determining best management practices and by making recommendations related to employee/employer issues. As a result of increasing employment regulations and requirements, the association is currently seeking interested individuals with HR duties and experience to serve on the 2017 HR Committee. If you or someone within your organization is interested in serving and benefiting from participation, please contact the FWAA office at [509-465-5055](tel:509-465-5055) or email [admin@fwaa.org](mailto:admin@fwaa.org).
