Announcement

To: All FWAA Members and Associates

From: James F. Fitzgerald, Executive Director

Subject: 2017 FWAA Sponsorships Available

Date: February 10, 2017

FWAA is currently working to put together the 2017 Directory and we still have sponsorships available. Please keep in mind that the directory is sent to over 750 industry members and associates and is also listed on the Far West website. This publication can showcase your company to recipients all over the U.S. and Canada. A courtesy copy will be sent to all current members listed in the directory with additional copies available for purchase by contacting the FWAA office. Don't miss being listed in this widely used and reliable source of contact information within the industry!

Sponsorship space is also available on the FWAA website. With over one million hits on our site since its launch, putting your company's logo and bio on the front page is sure to get seen by a large audience!
