

Marilyn Cramer Safety Award

Nomination Criteria

The Far West Agribusiness Association Marilyn Cramer Safety Award is designed to honor accomplishments in the area of safety, the environment and health. This award is open to any employee of an FWAA member who has contributed significantly to safety, environmental or health advances.

Candidates should have demonstrated:

- Achievements or accomplishments in their company that impacted safety
- Achievements or accomplishments in the industry that impacted safety
- Leadership
- Ability to recognize a “safety need” and to develop a policy or procedure to meet the safety need
- Ability to positively influence others
- Ability to set a positive example
