

Sherman McGregor Award

Nomination Criteria

The Sherman McGregor Award is the highest award given by Far West Agribusiness Association, representing meritorious service to the industry as a whole. The Candidate is one who ethically competed in the marketplace, but was one who also promoted the industry as a whole. The person selected is recognized as being an innovator, fair to customers and as having a conservation ethic towards land stewardship. The Candidate must have exhibited and meet the following criteria:

- Good stewardship
- Positive advocate for the overall industry
- Ethical
- Advocate for Agronomic research
- Advocate for practical grower application alternatives
