Subject: 2018 FWAA Scholarship Application Now Online
Date: March 12, 2018

We are pleased to provide outstanding high school and collegiate undergraduate students with a chance to pursue their educational goals in college. The FWAA scholarship covers two different selection pools, one for graduating high school seniors and one for current college students. Scholarships are one year in length and will be awarded in amounts up to \$1,000 per student.

This year our eligibility requirements have changed to better meet the needs of our members. To qualify for the scholarship, full-time students must be dependents of employees from FWAA member companies and pursuing an undergraduate degree from a college or university in the United States.

The 2018 Far West Agribusiness Association Scholarship is now open and the application is online [here](#). Applications must be received at the Far West office by 5:00 p.m., on April 13th, 2018.
