Christmas is behind us and as we prepare for the New Year let's not forget to register now for the January 9th and 10th, 2019 Winter Conference at the College of Southern Idaho in Twin Falls.

A slightly improved format will pack more into a smaller time frame. At 1:00 pm on Wednesday, January 9th we begin and will hear from Chris Novak, CEO for CropLife America out of Washington DC who will update us on the big picture issues relating to FIFRA products. Learn where the opportunities and challenges will be in the next year.

We will again have the four concurrent sessions with two covering agronomic subjects, one new technology/cropping systems and one safety & regulatory. We once again will have a trade show with exhibitors within the Fine Arts Auditorium and don't forget the reception and live PAC auction Wednesday night beginning at 5:30 PM at the nearly famous Turf Club.

For a listing of all the events and speakers, please visit www.fwaa.org under "events" and while you are there, go ahead and register. We will plan on seeing you and if you need any assistance, please contact the FWAA office at admin@fwaa.org or call us at 509-465-5055.
