## Announcement

**To:** All FWAA Members and Associates  
**From:** James F. Fitzgerald, Executive Director   
**Subject:** Required AG Chem Spill Response Offered Next Week-Please Read  
**Date:** January 14, 2019

---

**Important** - If you would like to keep your employees safe and prevent them from loss time on the job during your busiest time this spring, all while staying in compliance and not spending profits on fines, then here's your chance.

Send them to the Ag Spill Response Training which is required under the following OSHA CFR regulations. The citations are:

1910.120(e)(1)(I) Training-General-All Employees  
1910.120(e)(3)(ii) Initial Training All workers  
1910.120(e)(8) Refresher Training. (Annually)

Here is the training summary:

**Ag Chem Spill Response – Pasco Red Lion \***

**Tuesday & Wednesday, January 22-23, 2019 is the 24-Hour Initial Training**

**Thursday, January 24, 2019 is the 8-Hour Refresher Training**

Registration must be received ASAP and no later than noon on Friday, January 18<sup>th</sup> so the first eight hours of the instructional book study and exam can be completed prior to the on-site 16-hour training for the 24-hour course.

\*Registration will be accepted on a first-come/first-served basis until the maximum class size is reached.
