# AGRIBUSINESS ACADEMY PROGRAM

★ **NEW CONTENT FOR THE 2024 AGRIBUSINESS ACADEMY! IF YOU CAME LAST YEAR AND ATTEND THIS YEAR, YOU WILL GAIN NEW SKILLS TO EFFECTIVELY LEAD YOUR ORGANIZATION.**

**Better Communication: What makes people bad communicators? What makes them good?** Review of the basics of effective communication and explore specific behaviors that make people “good” communicators, and just plain bad - even when it's difficult to recognize.

**Interviewing, Hiring, and Retention:** Explore hiring well in this session and about common mistakes that can get supervisors (and their organizations) in hot water.

**They Said What?!** This interactive group game explores tricky examples for supervisors and how to best handle situations without breaking the law.

**Canadian Wilderness Exercise:** This fun activity requires teams to put their survival and critical thinking skills to work. Identify how we naturally work on a team and discuss the components necessary to build a winning team.

**Recognition and Motivation:** Explore the why and the how of identifying star performers and keeping them, along with how to deal with low performers.
